MURPHY'S LAW

Nothing is as easy as it looks.

Everything takes longer than you think.

Anything that can go wrong will go wrong.

**If anything simply cannot go wrong,
it will anyway.**

**Left to themselves, things tend to go from
bad to worse.**

**If everything seems to be going well,
you have obviously overlooked something.**

Nature always sides with the hidden flaw.

Mother nature is a bitch.

**It is impossible to make anything foolproof
because fools are so ingenious.**

**Whenever you set out to do something,
something else must be done first.**

**The light at the end of the tunnel is
only the light of an oncoming train.**
